

LEADERS IN THE
COMMUNITY
INSPIRING CHANGE

WE ARE WOMEN UNITED.

As an integral part of United Way of the Midlands, Women United® passionately works for the health, education, and financial stability of every person in our community. We are a diverse, vibrant community, bound together by a powerful sense of belonging – to each other, to the organization’s mission and to the community we call home.

WE INSPIRE CHANGE.

We are building a stronger community with a focus on advancing United Way of the Midlands’ financial stability goal that by 2025 65% of people in the Omaha-Council Bluffs community are financially stable so they can support themselves and their families. As a Women United member you will help support Opportunity Youth initiative which focuses on 16-24 year-olds not in school or in work. These youth do not have the supports in their lives to help them navigate through life but by supporting this initiative it will offer a helping hand to eliminate barriers and pursue their aspirations in life.

WHY ENGAGE?

Individuals who make an annual or combined annual gift of \$1,500 or more to United Way of the Midlands will enjoy the following:

- Networking events with like-minded women from an array of industries and backgrounds.
- Hands-on volunteer projects.
- Visibility to key philanthropic women leaders in the community.
- Recognition and visibility at key UWM events.
