

Melissa Got The Financial Support She Needed

Melissa, a patient at OneWorld for more than 10 years, is no stranger to hardship.

Melissa was diagnosed with kidney cancer and Covid-19 days after a family member passed away from the virus.

Having used all of her savings, Melissa did not have the funds to pay her bills and rent, so she applied for the Emergency Rental Assistance Program through the Metro Area Continuum of Care for the Homeless (MACCH).

MACCH awarded Melissa enough funds to pay her rent from October 2021 to January 2022.

"I'm a strong believer that everything happens for a reason," said Melissa.
